

Solidarity Day
Abenin
2018

NI UN NIÑO SIN ALIMENTO

For the thirteenth year in a row, the NGOD *Abenin ben por la infancia* opens the doors of hope to celebrate the most anticipated day of the solidarity agenda in the north area of Madrid.

Children's workshops, dance performances, live music, a large benefit market and solidarity bar are the activities that will be offered on Saturday, 12 may 2018 from 16h30 at **La Esfera** in Alcobendas.

The project receiving the funds of this year's edition is **Ni un niño sin alimento** from the organisation *Alegría sin fronteras*. This project works towards ameliorating the nutritional health through the creation of a network of primary assistance lead by women in the rural area of Gambo, Ethiopia.

Just like every year, we work in collaboration with the city council of Alcobendas, different local organisations such as *Danzarte, Danzón, Casa Extremadura, Eszena, Blocodobaliza, Showdancer*, and also private companies such as *Just Eat, Logix5, Asociación Adhin*.
